

How to Make a BINGO prize or Hospitality Cart Kit

Every Monday night families play BINGO at the Ronald McDonald House for items they want and need.

Baby and pampering kits are very popular!

Our Hospitality Cart brings the hospitality of the House to high risk inpatient pregnant moms.

They love hospitality, pampering and nail kits!

Kits are a fun project for your group to shop for and put together.

Many things can be found at the dollar store, including clear bags.

Kit Assembly

Step 1: Gather your materials. For large group assembly it is helpful to put each kit part into a separate container and make an assembly line.

Step 2: Pull one of each item for your kit. If using clear bags, arrange items in bag and tie with ribbon.

Baby Kit

Nail Kit

Mom Pampering Kit

Hospitality Cart Kit
