INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Ronald McDonald House Charities of the Piedmont Triad, Inc.
Winston-Salem, North Carolina

Opinion

We have audited the accompanying financial statements of Ronald McDonald House Charities of the Piedmont Triad, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ronald McDonald House Charities of the Piedmont Triad, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ronald McDonald House Charities of the Piedmont Triad, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities of the Piedmont Triad, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ronald McDonald House Charities of the Piedmont Triad, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ronald McDonald House Charities of the Piedmont Triad, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

DECEMBER 31, 2021 AND 2020

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Ronald McDonald House Charities of the Piedmont Triad, Inc. (the Organization) is a North Carolina, nonprofit charitable corporation formed in January 1981. The mission of Ronald McDonald House Charities (RMHC) is to create, find and support programs that directly improve the health and well-being of children. Collectively, RMHC and the network of local Chapters, of which the Organization is a member, ascribe to five core values: we are focused on the critical needs of children, we lead with compassion, we celebrate the diversity of our people and our programs, we value our heritage and we operate with accountability and transparency.

We fulfill our mission through operation of sustainable programs that enable family-centered care, bridge access to quality health care, are a vital part of the health care continuum and strengthen families during difficult times. The following programs, operated by the Organization, represent the core functions of the Ronald McDonald House Charities of the Piedmont Triad, Inc.:

Ronald McDonald House

When children must travel long distances to access top medical care, accommodations and support for families can be expensive or not readily available. The Organization helps families stay close to their ill or injured child through the Ronald McDonald House program located in Winston-Salem, which provides temporary lodging, meals and other support to children and their families. The program provides families with emotional and physical comfort and increases the caregivers' ability to spend more time with their child, to interact with their clinical care team and to participate in critical medical care decisions.

Ronald McDonald Family Room

When a child is critically ill, parents may be reluctant to leave the hospital. In order to provide comfort and support to their child, it is important that parents have an opportunity to rest, have a meal or have a moment of quiet. Located inside medical care facilities, the Ronald McDonald Family Room programs in Atrium Health Wake Forest Baptist Brenner Children's Hospital, Cone Health Moses H. Cone Hospital and Novant Health Forsyth Medical Center serve as a place of respite, relaxation and privacy for family members, often just steps away from where their child is being treated. The Ronald McDonald Family Room program provides parents with an opportunity to remain close to their hospitalized child and to be an active member of their child's health care team.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Ronald McDonald Hospitality Cart

When a child is critically ill, parents may be reluctant to leave their child's bedside or the mother to be may be receiving antepartum care at the hospital prior to the birth of a child with medical challenges or family may be receiving services in a hospital too small to support a Ronald McDonald Family Room. To provide comfort and support in these situations requires taking a snack, drink or personal care item to the family. Operating in the antepartum wings, maternity suites and Neonatal Intensive Care Units of Atrium Health Wake Forest Baptist Brenner Children's Hospital, Cone Health Moses H. Cone Hospital, Novant Health Forsyth Medical Center and Randolph Health the Ronald McDonald Hospitality Cart program provides parents with an opportunity to remain close to their hospitalized child or child to be and the medical services they need.

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and are presented on the basis of net assets without donor restrictions and net assets with donor restrictions. Net assets with donor restrictions are created only by donor-imposed restrictions on their use. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without donor restrictions. All other net assets, including board designated or appropriated amounts, are net assets without donor restrictions and are reported as part of the unrestricted class.

Measure of Operations

The Organization's change in net assets from operations on the statements of activities includes all operating revenues and expenses that are an integral part of its program and supporting activities, net assets released from donor restrictions to support operating expenditures and other non-operating funds to support current operating activities. The measure of operations excludes investment return on investments.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management of the Organization to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash Equivalents

Cash equivalents include money market funds and all highly liquid investments with a maturity date of less than three months from the date of purchase. The Organization's cash balances that are maintained in bank accounts may exceed Federal Deposit Insurance Corporation limits from time to time. The Organization has not experienced any losses in such accounts and management believes that it is not exposed to any significant credit risk on cash.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. The Organization considers all accounts to be fully collectible and no allowance account for uncollectible amounts has been established for them. If amounts become uncollectible, they are charged to bad debts when that determination is made.

Contributions Receivable

Contributions receivable are unconditional promises to give. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Contributions receivable are written off when deemed uncollectible.

The Organization is the beneficiary under various wills and trust agreements of which the total realizable amount is not presently determinable. Such amounts are recorded when a will is declared valid by probate court and the proceeds are measurable.

Investments

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the statements of financial position. Realized and unrealized gains and losses and income are included in the statements of activities.

Property and Equipment

Property and equipment are stated at cost, if purchased, or estimated fair value, if donated, at the date of donation. Additions of \$500 or more are capitalized, while maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed as incurred. Depreciation is calculated using the straight-line and accelerated methods over the estimated useful lives of the assets as follows:

Building and Improvements	15 - 39 Years
Land Improvements	15 Years
Furniture and Fixtures	3 - 7 Years

Impairment of Long-Lived Assets

The Organization evaluates its long-lived assets for any events or changes in circumstances which indicate that the carrying amount of such assets may not be fully recoverable. The Organization evaluates the recoverability of long-lived assets by measuring the carrying amount of such assets against the estimated undiscounted future cash flows associated with them. At the time such evaluation indicates that the future undiscounted cash flows of certain long-lived assets are not sufficient to recover the carrying value of such assets, the assets are adjusted to their fair values. As of December 31, 2021, and 2020, there were no impairment losses recognized for long-lived assets.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Donated Assets, Property and Equipment, and Services

Donated marketable securities, property and equipment, and other noncash donations are recorded as contributions at their fair values at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset for a specific purpose. Assets donated with explicit restrictions regarding their use are reported as net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Donated services are recognized as contributions if the services: (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. The Organization also receives donated services from other contributors and volunteers that are not measurable, and therefore, are excluded from the financial statements.

Deferred Revenue

Income from sponsorships received in advance of future special events, which the resource provider is receiving commensurate value in return or a right of return exists if the event does not occur, is deferred and recognized over the periods to which the sponsorships relate.

Net Assets

The Organization's net assets and changes therein are classified and reported as follows:

Without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions or law. The governing board has designated, from net assets without donor restrictions, net assets for maintenance reserves.

With Donor Restrictions

Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Revenue Recognition

Contributions and Grants

Unconditional promises to give are recognized as revenue in the period the promise was made. Conditional promises are recorded as revenue when the conditions are substantially met. Contributions, grants, and bequests are recognized as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization reports contributions restricted by donors as increases in net assets without restrictions if the restrictions expire (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period the revenue is recognized.

Membership Dues

Membership dues are recognized ratably over the period of membership, which is on a calendar-year basis. Benefits are recognized ratably over the membership period since this most closely approximates the transfer of such member services.

Sponsorship Revenue

The portion of sponsorship revenue that relates to the commensurate value the sponsor received in return is recognized when the related events are held, and performance obligations are met.

Special Event Revenue – Ticket Sales

The portion of ticket sales that relates to the commensurate value the attendee receives in return is recognized when the related events are held, and performance obligations are met.

Functional Expenses

The statements of functional expenses report certain categories of expenses that are attributable to one or more program or supporting functions of the Organization. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include: salaries, employee health and retirement benefits, payroll taxes, meetings, trainings and seminars, and travel, meals and entertainment which are allocated on the basis of estimates of time and effort; depreciation, insurance, maintenance and repairs, and utilities which are allocated on a square footage basis; office supplies, professional fees, security services, and volunteer recognition which are allocated based on full-time equivalents.

Advertising

Advertising (Printing and Publishing) costs are expensed as incurred. Advertising expense totaled \$45,665 and \$32,128 for 2021 and 2020, respectively.

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income, if any, from certain activities not directly related to the Organization's tax-exempt purpose is subject to taxation as unrelated business income. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Organization believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Organization's Forms 990, Return of Organization Exempt from Income Tax, for 2021, 2020 and 2019 are subject to examination by the IRS, generally for three years after they are filed.

Reclassifications

Certain amounts have been reclassified for the year ended December 31, 2020 to conform with the presentation for the year ended December 31, 2021. The reclassifications had no impact on previously reported net assets.

Friends of the Ronald McDonald House

The Friends of the Ronald McDonald House, which promotes fundraising events for the Organization such as luminary sales and the Character Breakfast fundraiser, merged with the Organization effective June 1, 1997. The Friends also organize volunteers to provide meals and other services for the Organization.

NOTE 2 LIQUIDITY

The Organization has \$1,041,181 and \$1,170,029 of financial assets, as of December 31, 2021 and 2020, respectively, available to meet cash needs for general expenditures within one year of the statement of financial position date, as noted in the current assets section of the statement. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date. The current contributions receivables are subject to time restrictions but will be collected within one year.

The Organization maintains financial assets, consisting of cash and short-term investments, on hand to meet its normal operating expenses based on its annual budget. Operating expenses are compared to budgeted expenses on a monthly basis and financial assets on hand are adjusted as necessary. As part of its liquidity management, the Organization invests cash in excess of daily requirements in various short-term investments. In addition, the Organization maintains an operating reserve that allows for annual spending of 5% of assets based on a rolling preceding 12 quarters average market value, if needed. \$468,421 of appropriations from the operating reserve will be available within the next 12 months.

NOTE 2 LIQUIDITY (CONTINUED)

In addition, although the Organization does not intend to spend from its board-designated maintenance reserve, other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation, amounts from its board-designated maintenance reserve could be made available if necessary. The board-designated maintenance reserve balance of \$1,400,000 will be available within the next 12 months.

NOTE 3 CONTRIBUTIONS RECEIVABLE

Contributions receivable consist primarily of pledges, to the Home Away from Home Annual Campaign (HAFHAC) and McDonald's Co-Op gift per bag of french fries ordered from supplier Martin-Brower, as of the years ended December 31:

	2021	2020
Amounts due in less than one year:		
Home Away from Home Annual Campaign	\$ 55,300	\$ 66,090
HAFHAC via United Ways of surrounding counties	5,320	4,029

Net Contributions Receivable	\$ 65,578	\$ 70,119

NOTE 4 FAIR VALUE MEASUREMENTS

In determining fair value, the Organization uses various valuation approaches within the fair value measurement framework. Fair value measurements are determined based on the assumptions that market participants would use in pricing an asset or liability. A hierarchy for inputs is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Levels within the hierarchy are based on the reliability of inputs as follows:

Level 1 - Valuations based on unadjusted quoted prices for identical assets or liabilities in active markets;

Level 2 - Valuations based on quoted prices for similar assets or liabilities or identical assets or liabilities in less active markets, such as dealer or broker markets; and

Level 3 - Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable, such as pricing models, discounted cash flow models, and similar techniques not based on market, exchange, dealer, or broker-traded transactions.

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Fair values for Level 1 investments are based on quoted net asset values of the shares held by the Organization at year-end for mutual funds and the fair value of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices. Fair value of Level 2 investments is determined by reference to quoted prices for similar assets in less active markets. Fair value of Level 3 investments is determined from valuation techniques in which one or more inputs are unobservable. The carrying amounts of all other assets and liabilities reflected in the statements of financial position for the Organization's financial instruments approximates their respective fair value due to the short-term maturities of those instruments. There have been no changes in valuation techniques and related inputs.

Investments

Overall Investment Objective

The overall investment objective of the Organization is to invest its assets in a prudent manner that will achieve a long-term rate of return sufficient to fund a portion of its annual operating activities and increase investment value after inflation. The Organization diversifies its investments among various asset classes incorporating multiple strategies and managers. Major investment decisions are authorized by the Board of Directors which oversees the Organization's investment program in accordance with established guidelines.

The composition of investment (loss) income on the Organization's investment portfolio for the years ended December 31, 2021 and 2020 is as follows:

	2021	2020
Interest and Dividend Income	\$ 115,001	\$ 76,902
Realized Gain	952,606	191,658
Unrealized Gain	531,725	724,847

NOTE 6 BOARD DESIGNATED MAINTENANCE RESERVES

The Board of Directors designated \$1,400,000 in 2021 and 2020 for maintenance reserves. Capital maintenance expenditures will be deducted from the interest generated by the designated funds.

NOTE 7 BENEFICIAL INTEREST IN ASSETS HELD BY COMMUNITY FOUNDATION

The Organization is beneficiary of several trusts which are administered by The Winston-Salem Foundation under irrevocable trust agreements. The Foundation annually distributes the earnings on the funds to the Organization. In addition, a portion of the principal may be distributed as requested by the Board of Directors, subject to approval by The Winston-Salem Foundation Committee. The market value of the trusts administered by The Winston-Salem Foundation for the Organization at December 31, 2021 and 2020 are as follows:

	2021	2020
Endowment fund principal account	\$ 1,845,582	\$ 1,652,692
Endowment fund income account	1,854,807	1,592,035
M.W. Parker endowment fund	350,433	303,027
Total Beneficial Interest	<u>\$ 4,050,822</u>	<u>\$ 3,547,754</u>

Under the Organization's irrevocable trust agreement with the Foundation, the Organization cannot reduce the Endowment Fund Principal Account balance below \$35,000 through withdrawals of earnings and principal. Income and principal from the M.W. Parker Endowment Fund is considered unrestricted and Board designated, and distributions from principal may equal twenty-five percent of the principal value each year. Income from the Elizabeth T. Williams Charitable Annuity Lead Trust are included in the Endowment Fund Principal Account and are donor restricted for maintenance and future expansion of facilities. See Note 8.

NOTE 8 ENDOWMENT FUNDS

The Organization's endowment consists of two individual funds established by donors to provide annual funding for specific activities, general operations, maintenance and future expansion of facilities. The Endowment also includes certain net assets without donor restrictions that have been designated for endowment by the board of directors.

RONALD MCDONALD HOUSE CHARITIES OF THE PIEDMONT TRIAD, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 ENDOWMENT FUNDS (CONTINUED)

Absent explicit donor stipulations to the contrary, the board of directors of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by that standard. In accordance with that standard, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters and Strategies. The Organization has adopted investment and spending policies, approved by the board of directors, for endowment assets. Those policies attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 5%, while growing the funds if possible. The Organization expects its endowment assets, over time, to produce an average rate of return of approximately 8% annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to prevent exposing the fund to unacceptable levels of risk.

Spending Policy. The Organization has a policy of appropriating for distribution each year 5% of its endowment fund's average fair value of the prior 12 quarters through June 30th of the preceding calendar year preceding the fiscal year in which the distribution is planned. In establishing this policy, the Organization considered the long term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation. The Organization expects the current spending policy to allow its endowment funds to grow at an average rate of 5% annually. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Fund Deficiencies. From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Organization to retain as a fund of perpetual duration. Deficiencies, if any, may result from unfavorable market fluctuations that occur shortly after the investment of new donor-restricted contributions and continued appropriation for certain programs that may be deemed prudent by the board of directors. There were no such deficiencies as of December 31, 2021 and 2020.

In May 2011, the Organization obtained a two-year lease for a vehicle donated by a car dealer. The car was wrapped to advertise the Organization and is used to support families. The lease has continued to be renewed for two additional years from 2013 through July 2023. When the lease renews for a two-year period, the lease was recorded as contribution income with a total value of \$17,289. The prepaid lease value was \$11,881 and \$3,237 at December 31, 2021 and 2020, respectively. In 2021 and 2020, lease expense was \$8,645.

NOTE 13 TAX-DEFERRED ANNUITY PLAN

The Organization, in 1998, implemented a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code for all eligible employees of the Organization. The Organization contributes up to a maximum of 6% of gross salaries to the plan for qualified employees. Employees may make contributions to the plan up to the maximum amount allowed by the Internal Revenue Code if they wish. Employer contributions to the plan were \$32,100 and \$31,746 for the years ended December 31, 2021 and 2020, respectively.

NOTE 14 CAPITAL LEASE

In January 2020, the Organization entered into a new copier lease with payments of \$509 per month. The terms were renegotiated in February 2021 to \$452 per month and again in November 2021 to \$467 per month through December 2024. The remaining payments of the old lease were forgiven as part of the new lease terms. The economic substance of the lease is that the Organization is financing the \$27,913 acquisition cost of the copier through the lease and, accordingly, it is recorded in the Organization's assets and liabilities. Accumulated depreciation on the copier as of December 31, 2021 and 2020 was \$8,374 and \$2,791, respectively. Amortization of assets held under capital leases is included with depreciation expense.

The following is a schedule of future minimum payments required under the lease with their present value as of December 31, 2021:

<u>Year Ending December 31,</u>	<u>Amount</u>
2022	\$ 5,607
2023	5,607
2024	<u>5,157</u>
Total minimum lease payments	\$ 16,371
Less amount representing interest	<u>939</u>
Present value of minimum lease payments	<u>\$ 15,432</u>

Interest expense incurred on capital leases for 2021 and 2020 was \$634 and \$854, respectively.

NOTE 15 TRANSACTIONS WITH RELATED ENTITIES

Ronald McDonald House Charities (RMHC) is a system of independent, separately registered public benefit organizations, referred to as "Chapters" within the global organization. The Organization is an independent operating Chapter within the RMHC system. The Organization was also one of five Ronald McDonald Houses in North Carolina that was affiliated with Ronald McDonald House Charities of North Carolina, Inc. (RMHC NC) until December 31, 2021, at which time the affiliation ended and RMHC NC ceased all operations. In anticipation of this change in April 2021, the Organization officially changed its name from Ronald McDonald House of Winston-Salem, Inc. to Ronald McDonald House Charities of the Piedmont Triad, Inc. Each Chapter is licensed by McDonald's Corporation and Ronald McDonald House Charities, Inc. to use RMHC related trademarks in conjunction with fundraising activities and the operation of its programs; the License Agreement also sets standards of operations for programs, governance, finance, branding and reporting.

NOTE 17 RECENT ACCOUNTING PRONOUNCEMENTS

Leases

In February 2016, the FASB issued amended guidance for the treatment of leases. The guidance requires lessees to recognize a right-of-use asset and a corresponding lease liability for all operating and finance leases with lease terms greater than one year. The guidance also requires both qualitative and quantitative disclosures regarding the nature of the Organization's leasing activities. The guidance will initially be applied using a modified retrospective approach. The amendments in the guidance will be effective for the year ending December 31, 2022. Early adoption is permitted and was done by Management in 2016 as reflected in Note 14.

Contributed Nonfinancial Assets

In September 2020, the FASB issued amended guidance for contributed nonfinancial assets. The guidance requires the presentation of contributed nonfinancial assets as a separate line item in the statement of activities, disclosure of the disaggregated amount by type and disclosure of qualitative information about whether the contributed nonfinancial assets were monetized or utilized during the reporting period as well as a description of the programs or other activities in which the assets were used. The guidance also requires disclosure of any donor-imposed restrictions and a description of valuation techniques. The amendments in the guidance will be effective for fiscal years beginning after June 15, 2021.

NOTE 18 SUBSEQUENT EVENTS

COVID-19

During the year ended December 31, 2020, the World Health Organization declared the spread of Coronavirus Disease (COVID-19) a worldwide pandemic. The COVID-19 pandemic is having significant effects on global markets, supply chains, businesses, and communities. Specific to the Organization, COVID-19 may impact various parts of its 2022 operations and financial results. In addition, investment markets may continue to experience significant fluctuations. Management believes the Organization is taking appropriate actions to mitigate the negative impact. However, the full impact of COVID-19 is unknown and cannot be reasonably estimated as these events are still developing.

General

Management evaluated subsequent events through the report date, the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in the financial statements.
