

Families spend long days at the hospital and often have little time, energy, or resources to prepare a meal. The gift of a hot, balanced meal is always enjoyed and gives our families a feeling of normalcy when they are away from home.

Our House offers 36 bedrooms and we are able to welcome 1,400 families each year! Giving these families the gift of a home-cooked meal - or one purchased with love - allows them to focus on the care of their child.

Current COVID protocols limit group to 10 volunteers and everyone must be masked and complete a temperature check and health screening upon arrival
