

Holidays at the House

Santa's Workshop is available to any guest family staying with us during the weeks leading up to Christmas Day. The workshop is stocked through the generous support of individuals, community groups, and corporate organizations. Volunteers wrap the gifts and they are delivered to families' rooms on Christmas Eve.

The following items allow us to provide for families during the holidays.

Please plan to deliver all donations before December 2 to give Santa plenty of time for delivery!

All gifts should be new, unopened, and unwrapped.
